Carrie thanked everyone for helping at the Boo Festival. Hugh said how well everything went over and that the first event of such, is always a learning experience. Gina said there were so many comments by people that missed it and heard so much good about it that they can't wait until next year so they might attend.

Treasurer's report was given by Loraine. Remaining balance in budget, \$3,899.21. Remaining balance in checking account \$6,716.64. Report approved.

#### Under old business:

Hugh commented on the fact that "our board works". He also said food trucks are nice to have but sometime, cooking has to be done.

Carrie reported that the Boo Festival brought in \$521, expenses taken out was \$100. for the hay ride. \$421. has been turned in.

Carrie had a suggestion to ask the business people next year if they would participate by trick or treating from their truck. Also have the children attending and having their costumes judged, next year to sign in and go directly to the judges. This would alleviate confusion.

She also suggested asking the businesses to decorate their windows for Christmas and award prizes. Gift cards of \$100., \$75., and \$50. The Board liked the idea and approved it unanimously.

Scarecrow contest participants were announced: Maskas first place, Dale Negley second, (he donated to Eureka Hose \$25., Police Dept. pizza and Rec Board \$25.) Dalmo Optical won third place.

Carrie told us that a gentleman called from "Risen to Save" band, so she suggested possibly having a Sunday afternoon concert. All were in agreement. Motion made by Becky, second by Loraine. Motion passed.
