TARENTUM RECREATION BOARD

REGULAR MEETING

The regular meeting of the board was called to order by President Carrie Fox with the Pledge of Allegiance.

Members present: Gina Landa, Becky May, Barbara Magnosta, Carrie, Loraine White, Hugh Fox, and Cindy Homburg.

The Presidents reported on the great American cleanup. It was well attended and Carrie served a wonderful lunch. She appreciates anyone who attended or helped. This was her own undertaking and organizing.

Treasurer's report by Gina Landa: Gina first explained that she addressed Alice, Borough secretary, about the complexity of the budget we are receiving. It is difficult to understand.

Under new business: Carrie presented Pastor Gregg Blythe's plaque, for all Board members to view. It is beautiful, and simply fitting for his service to the community.

Also a motion was made by Barbara, seconded by Becky to purchase 2 bicycles for the Ladies of the Moose for the Easter egg hunt. It was unanimously approved. Our past Mayor always had them donated for the Board.

North Passavant handicapped adults have offered to do plantings of flowers. Carrie suggested the triangle entering West Tarentum, the Gazebo, and the Memorial. We will wait for official verification from Passavant before purchasing plants.

Gina gave a report on the Carl J. Magnosta, Jr. plaque dedication and luncheon. She was overwhelmed at the wonderful attendance, the numerous Dignitaries who spoke and the awesome lunch Keith prepared. A special thank you to Michelle Wright, it was a very special event.

Gina also reported on the upcoming Trash to Treasure. Reservations are coming in very quickly. People are excited for this event. No sense getting in touch with Greco for the lot. It is owned by Tarentum Borough and they are closed on Sundays.

Old business: Mary Ellen Ruk from AVH will be in attendance for our health fair. Denise, nurse from Dr. Ferlan's office is very pleased and excited about this event. Reaching out to Citizen's Caroline Hickman and Denise is reaching out to a "Dietician."

Carrie reported that only 2 businesses have responded to the flower contest. We will give them more time and do some more soliciting.

May 24<sup>th</sup> there will be a cleaning of the Snack Shack.. Everyone be there for 10:00 A.M.

Hugh made a motion to adjourn, Barbara seconded.

Next regular meeting May 28<sup>th</sup>, 2019.
