To whom it may concern,

My name is Jody Shumaker and I am writing to you on behalf of the Tarentum Area Lion's Club. We would like to use Tarentum Park some Saturday afternoon (looking at early to mid-May...either Sept. 29th or Oct. 5th) for a Children's "Book Walk." The "Book Walk" would take approximately 1-1 1/2 hours total (from start to finish.) We've now done many of them there and they were/are a success, so we'd decided to make it an annual event. ☺

A "Book Walk" is where children (ages 3-5 and their parents) are introduced to a book then are told the story page by page, however, they must find the pages. Let me explain just a bit more....page by page the children are given clues, clues that will take them from one place to another. Once they arrive at that place, there they find the next page to their story and a clue to the next page so on.

Right now, all we would like to do is get your permission for us to use the park then at our meeting we will set the final date. Please let us know if this is something that would be possible and if either of those dates would be available to us for use of the park. You may contact me by phone at (724)226-3759 or through e-mail @jodyshumaker@hotmail.com. Thank you in advance for your consideration. I look forward to hearing from you soon.
