He was very complimentary to all of us.

OLD BUSINESS:

To give Councilman Snyder more understanding of different events coming up Hugh suggested that Carrie might explain a little bit about the Valentine's Luncheon. Therefore a short discussion followed making it very informative. It was appreciated by everyone.

Barbara gave a brief report on the parade 2019 budget. We also had Brackenridge's report. All agreed that the parade was a huge success.

MAGAZINE:

Hugh and Carrie gave an explanation of how the magazine came into existence and how wonderfully it is being accepted and welcomed. It would nice if the board could possibly sell an ad or two and maybe talk to people about writing an article about a store from the past or a prominent member of our community.
