To whom it may concern,

My name is Jody Shumaker and I am writing to you on behalf of the Tarentum Area Lion's Club. We would like to use Tarentum Park some Saturday morning (looking at either October 9th or October 16th) for a Fall Children's "Book Walk." The "Book Walk" would take approximately 1 hour to 1 hour and 15mins total (from start to finish.) We have done many of them there at the park (but not since covid) and they were a huge success, so we thought we'd now like to go back again and continue to make this an annual event. ☺

Just some information for your committee...a "Book Walk" is where children (ages 3-5 and their parents) are introduced to a selected or chosen book. Then moving in small groups, they are told or read the story page by page, traveling from one storyteller to the next (from one end of the park to the other,) until the entire book is completed. Once the book is completed, the children will receive a treat bag of goodies and the book that was read to them.

Right now, we need two things; your permission for us to use the park and a good date for this event from your group (using one of the two date listed above.) Please let us know if this is something that would be possible and if either of those dates would be available. You may contact me by phone at (724) 954-2341 or through e-mail @jodyshumaker@hotmail.com. Thank you in advance for your consideration. I look forward to hearing from you soon.
