**Subject:** Temporary mayor position

Mr. Nestico and Tarentum Borough Council,

It is my understanding that Mayor Carter's letter of resignation will be voted on to be accepted, creating a vacancy of this position. I would like to be considered to be appointed to this position as temporary Mayor by council until it can be permanently filled in November either by Carrie Fox or myself. If a formal letter of intent is required, please advise me of this. Thank you for your consideration in this matter.

Sincerely,  
Robert Lang
