Hi Michael,  
Hope this finds you well!  
We have a community meal & Turkey give away scheduled for Saturday Nov 13.  
I'd like to reserve the clam shell Pavillion area just in case we need to move this to an outside venue.  
This is a back up plan to hedge against concerns with Covid.  
I understand the facility is weatherized and the water will be off.  
We will need electric.  
Thank you so much for your consideration.  
Take Care!  
Val
