Tarentum Council, Mayor Lang, Manager Michael Nestico, and Chief Vakulick,

Summit Hose VFC is bringing back the Tarentum Fall Festival for the year of 2022. For the last two years we were unable to have this festival due to the Covid-19 Pandemic. Many of you know that we really depend on fundraising to keep our doors open. This money we raise helps pay for many expenditures.

The carnival company is only available one week this year. Summit Hose VFC is requesting the use of the Tarentum Riverview Park from Corbet Street to Ross Street along First Avenue as we have done in years past. The street will need to be closed on Sept. 7th through Sept. 11th for set up of the festival and for clean up.

Tarentum Fall Festival dates would be.....

Sept.8th

Sept. 9th

Sept. 10th

Times to be determined.

As always thank you for your kind cooperation.

Sincerely,

Summit Hose VFC Fall Festival Committee
