

PROJECT STATUS REPORT
FOR
TARENTUM BOROUGH

April 2018

A. Current Projects:

1. Tarentum Consent Order and Agreement (Sanitary Sewers)

The Upper Allegheny Joint Sanitary Authority received a letter from PA DEP on March 22, 2018, in which the Long Term Control Plan (LTCP) was conditionally approved. The approval contains compliance dates through 2025. The approval letter is voluminous; however, the Authority will be required to construct an equalization tank at the sewage treatment plant, upgrade the Bull Creek pump station and upsize the Little Bull Creek interceptor.

3. Small Water and Sewer Project Grant Applications

- Gibson-Thomas prepared and submitted two (2) grant applications (February submittal)
 - a. West 8th Avenue Waterline Replacement

A bid opening was held on Thursday, March 29, 2018. Bid Results are attached.

5. Cost Reimbursement (PennDOT)

- Relocate overhead power lines in advance of work on Tarentum Bridge. Gibson-Thomas Engineering is submitting paperwork to PennDOT. Schultheis Electric will be responsible for the actual work.

Respectfully Submitted April 3, 2018
