**Subject:** RE: Tarentum Park Renovations

Hi Mr. Nestico

We have scheduled our graduation for May 23<sup>rd</sup>, Thursday evening. We usually like to have the power on for practice in the morning around 9:30 on that day. We also request that the streets be blocked for the safety of the children from 6:30-8:30 PM. Would I need to send a formal letter to request this and present to the board for approval?

Thank You!

Mary Jo Boyer, Director

**Subject:** Tarentum Park Renovations

Hi Mary Jo,

I just got your message about the park renovation. We are having the ampitheatre remodeled but I don't believe it will impact your event in May. It probably won't take place until later in the summer. I don't have a concrete timeline just yet. Once I know better, I will let you know if there's a conflict with the timing.

Could you tell me the date of your event this year? If you can send me an email back, I will be sure to get council approval and put it on the calendar. That will help us plan around the ceremony.

Thank you,  
Michael
