Dear Honorable Mayor, Council & Borough Manager:

In August 2018 I sold my building here in Freeport to Attorney Richard J. Bosco and I am in the process of transitioning clients to Mr. Bosco. I have been the Zoning Hearing Board Solicitor for the Borough for several years and am grateful for the opportunity to serve the Borough. However, since I am in the process of reducing my practice I do not believe I can do the job justice. Consequently, please consider this letter my resignation effective immediately as the Zoning Hearing Board Solicitor. I am willing to cooperate and transition any matters to the new Solicitor.

Very truly yours,

Gerald G. DeAngelis
