Hi Michael!

Hope this email finds you well.

I wanted to inquire about some dates this year for pavilion and stage use. We ended our conversation last year with the possibility of a booking procedure change. Please let me know if there is a new process to reserve the stage.

On behalf of BridgePoint Church, I wanted to check into Easter Sunday April 12 for a sunrise service (acoustic), then the 3rd Sunday June, July, August and the Sunday of fall festival weekend in September. I appreciate your anticipated response and wish you the best.

Take care,
Val
