Tarentum Recreation Board presents the 12th Annual Scarecrow Contest

Eligibility- Our Scarecrow contest is open to all ages!

~Scarecrows must be placed on the light poles along Corbet Street and Sixth Avenue in Tarentum. Scarecrows must be attached with only rope - nothing that will damage the light pole. You will be responsible.

~Please keep the sidewalk free and clear

~Please call after the scarecrow is placed or Snap a picture & text to 724-448-1470

Size:

The minimum size is 4 ft. tall the maximum is 7 ft. tall.

Scarecrows and props should fit in a 3ft.wide x 4ft long area.

Set up:

October 15th – October 29th. Scarecrow must be hanging on the 29th to be judged.

Clean up/Pick up:

By Nov 7th, 2020 if you fail to follow the guidelines your scarecrow will be disposed of.

The Scarecrows should whimsical, humorous, mischievous and loveable but not frightening. *Scary monsters, bloody and gruesome entries will be disqualified.*

Here are a few suggestions:

Traditional – most likely a scarecrow, Typical farm style made from old clothing, burlap, jeans straw hat, aprons, raffia, straw and etc.

Whimsical- fairytale, humorous, fantasy, celebrity, & etc. Design your own copy a character, animal or let your imagination run wild.

Tarentum Rec Board reserves the right to judge the scarecrows at their own discretion. The Tarentum Recreation Board is not Responsible for stolen or damaged scarecrows. Scarecrows will be photographed.

Construction:

Scarecrows must be durable and must stand up to the weather. Use care when choosing your materials. All decorations must be firmly attached to the scarecrow. We recommend a 2x4 piece of lumber for the body and a broom stick for the arms. You will need a large piece of rope to attached your scarecrow to the pole. Feel free to use other props like bales of hay, corn stalks and etc. No electricity will be provided. Only battery, solar or wind power may be used.

**PLEASE DO NOT HARM THE LIGHT POLE
IN ANY WAY**
