To Whom It May Concern,

Hello, my name is Ashley and I would like to reserve your Gazebo along the river for my Wedding Ceremony July 24, 2021. Joe and I met along the river in Tarentum and would love to have that be our location for the ceremony. I appreciate your time and willingness to consider our request and hope that the Gazebo is available that day. Please let me know if you need any additional information from me to aid in my request.

Sincerely yours,
