Dear Council Members, Mayor, Chief of Police & Borough Manager,

This year Summit Hose Company with your permission will be sponsoring July 4th Fireworks.

This year with Covid we have to be careful how we celebrate to keep the public safe. With that said there will be no extra activities in Dreshar Stadium as in the past.

This will be a Fireworks event only!

We are in the process of fundraising for this event. As in the past we are always thankful for the Boroughs donation.

We are asking for street closures from Main to Cherry. Closing access to First Avenue for the Blast Zone.
