	MCM #1 – PUBLIC EDUCATION AND O	UTREACH ON STORM	WATER IMPACTS	0
BN	IP #1: Develop, implement and maintain a written Public	Education and Outreach P	rogram.	
1.	For new permittees only, has the written PEOP been deve	eloped and implemented within	n the first year of perr	nit coverage?
	☐ Yes ☐ No			
2.	Date of latest annual review of PEOP: August 2015	Were updates made?		
3.	What were the plans and goals for public education and or	utreach for the reporting perio	d?	
	Educational posters and pamphlets are on display at twell as contractors/developers at the Borough building. in the water reports and bills to approximately 2,500 w "when it Rains, it Drains". A Borough MS4 webpage w web site are to be added to the Borough's web site.	The Borough provided storm vater customers in May of 2	water educational fly 2019. The theme of	vers as inserts the flyer was
4.	Did the MS4 achieve its goal(s) for the PEOP during the re	eporting period?	s 🗌 No	
5.	Identify specific plans and goals for public education and o	outreach for the upcoming yea	ar:	E
	Public education goals for the upcoming year include as Borough's official website; post additional stormwater ed and placement of MS4 advertisements within the Boro placed flyers and memos in water bills, on the MS4 web	lucational posters at various ugh's annual Potable Wate	locations throughout r Reports. The Bord	the Borough; ough has also
ВN	IP #2: Develop and maintain lists of target audience gro	ups present within the area	s served by your MS	64.
1.	For new permittees only, have the target audience lists I coverage?	peen developed and impleme	ented within the first	year of permit
	☐ Yes ☐ No			
2.	Date of latest annual review of target audience lists: Augus	st 2015 Were update	s made? 🛛 Yes	☐ No

1	
ви	IP #3: Annually publish at least one educational item on your Stormwater Management Program.
1.	For new permittees only, were stormwater educational and informational items produced and published in print and/or on the Internet within the first year of permit coverage?
	☐ Yes ☐ No
2.	Date of latest annual review of educational materials: August 2015 Were updates made? ☐ Yes ☒ No
3.	Do you have a municipal website? Yes No (URL: www.tarentumboro.com)
	If Yes, what MS4-related material does it contain? The Borough has a solid waste and recycling contract with Waste Management and the website has a flyer with information on how to properly dispose of hazardous waste materials to help cut down on pollution. It is an "At your door special collections" to make it easy for the homeowner to properly dispose hazardous waste. The borough website also has a section that addresses this subject as well.
4.	Describe any other method(s) used during the reporting period to provide information on stormwater to the public: Education Pamphlets are on display and available to the public.
5.	Identify specific plans for the publication of stormwater materials for the upcoming year: As the Borough owns and operates the water utility that serves the community, the Borough will include public awareness flyers on stormwater quality with the utility bills to its customers. Flyers placed within spring bills will advise residents not to over fertilize, and to not blow their grass clippings into the streets. Summer flyers would advise residents to wash their vehicles on grass or gravel areas and not directly near or over catch basins in the streets. The Borough is continuing with these seasonal flyers. The Borough can also include ads reminding residents that it is illegal under the Borough Ordinance to dump any wastes into the Borough's storm catch basins. The Borough will also continue the contract with Waste Management to continue to provide doorfront special collections for hazardous waste materials. This will continue to be posted on the Borough's web page.
BN	IP #4: Distribute stormwater educational materials to the target audiences.
dis	entify the two additional methods of distributing stormwater educational materials during the previous reporting period (e.g., plays, posters, signs, pamphlets, booklets, brochures, radio, local cable TV, newspaper articles, other advertisements, bill ffers, posters, presentations, conferences, meetings, fact sheets, giveaways, or storm drain stenciling).
ma	ucational posters and pamphlets are available at the borough building. The Borough also plans to continue its inlet orking program by purchasing and installing permanent markings. The Borough plans on including an MS4 public rivice advertisement in the Borough's annual Potable Water Quality Reports.
MC	CM #1 Comments:
	MCM #2 - PUBLIC INVOLVEMENT/PARTICIPATION
BN	IP #1: Develop, implement and maintain a written Public Involvement and Participation Program (PIPP)
1.	For new permittees only, was the PIPP developed and implemented within one year of permit coverage?
	☐ Yes ☐ No
2.	Date of latest annual review of PIPP: August 2015 Were updates made? Yes No

BMP #2: Advertise to the public and solicit public input on ordinances, SOPs, Pollutant Reduction Plans (PRPs) (if applicable) and TMDL Plans (if applicable), including modifications thereto, prior to adoption or submission to DEP: 1. Was an MS4-related ordinance, SOP, PRP or TMDL Plan developed during the reporting period? ☑ Yes ☐ No If Yes, describe how you advertised the draft document(s) and how you provided opportunities for public review, input and feedback: The Borough uses the Tribune-Review newspaper for advertisement of ordinances. Public comments can be received by email to the Borough, in person at the Borough office and at the monthly public meetings which are held on the first Tuesday of every month. 3. If an ordinance, SOP or plan was developed or amended during the reporting period, provide the following information: Date Enacted or Date of Public Date of Public Ordinance / SOP / Plan Name Submitted to DEP Hearing **Notice** November 15, 2018 November 15, 2018 October 4, 2018 Ordinance 18-04 - Stormwater Management Ordinance

	IP #3: Regularly solicit public involvement and partici stribution and outreach methods.	pation from the target audience groups using available
1.	At least one public meeting or other MS4 event must be held and feedback from target audience groups. Was this meeting	during the 5-year permit coverage period to solicit participation g or event held during the reporting period?
		Public Meetings are held on the first Tuesday of each month. MS4 public service announcements (PSAs) have been made at several of these meetings (3/7/19, 6/6/19, 10/3/19, 12/5/19) with the messages entered into the meeting minutes. MS4 PSAs will continue to be made at future meetings.
2.	Report instances of cooperation and participation in MS4 acticonservation organizations; and similar instances of participations.	vities; presentations the permittee made to local watershed and ation or coordination with organizations in the community.
	or abandoned properties throughout the Borough in Jun clearing litter and trash from these properties as well as properties. The Borough Public Works Department works been picked up. A River cleanup which included 17 volunteers occurred in (prior to the Covid-19 outbreak). These cleanups grosse	mittee (TAC) has organized at least four cleanups on derelict e, July, and August of 2019. These cleanups consisted of cleaning the sidewalks and curb gutterlines that front these s with TAC to collect and properly dispose the trash that has the Spring of 2019, and one occurred in the Spring of 2020 d a combined total of 1,000 pounds of trashed collected, as
	well as multiple tires removed and twenty 55-gallon drum wastes and hauled it to a permitted disposal facility.	s found. The Borough Public Works picked up the collected
	The Borough has included the cost of purchasing and ins	talling storm inlet markings in its budget for the Year 2020.
3.	Report activities in which members of the public assisted of SWMP, including education activities or efforts such as clear	participated in the meetings and in the implementation of the nups, monitoring, storm drain stenciling, or others.
	No public comments were received.	
MC	CM #2 Comments:	
	MCM #3 – ILLICIT DISCHARGE DETE	CTION AND ELIMINATION (IDD&E)
	IP #1: Develop and implement a written program for the othe regulated small MS4.	detection, elimination, and prevention of illicit discharges
1.	For new permittees only, was the written IDD&E program of	leveloped within one year of permit coverage?
	☐ Yes ☐ No	
2.	Date of latest annual review of IDD&E program: August 201	9 Were updates made? ⊠ Yes ☐ No
an	IP #2: Develop and maintain map(s) that show permittee d, if applicable, observation points, and the locations and see outfalls. Outfalls and observation points shall be nur	and urbanized area boundaries, the location of all outfalls I names of all surface waters that receive discharges from nbered on the map(s).
1.	Have you completed a map(s) that includes all components	of BMP #2? ⊠ Yes □ No
	If Yes and you are a new permittee and have not submitted	the map(s) previously, attach the map(s) to this report.

	If No, date by which permittee expects map(s) to be comple	ted:
2.	2. Date of last update or revision to map(s): August 2019	
3.	3. Total No. of Outfalls in MS4: 35 Total	No. of Outfalls Mapped: 35

	MCM #6 - POLLUTION PREVENTION / GOOD HOUSEKEEPING				
ger	P #1: Identify and document all operations that are owned or operated by the permittee and have the potential for nerating pollution in stormwater runoff to the MS4. This includes activities conducted by contractors for the mittee.				
1.	Have you identified all facilities and activities owned and operated by the permitee that have the potential to generate stormwater runoff into the MS4? \boxtimes Yes \square No				
2.	When was the inventory last reviewed? August 2019				
3.	When was it last updated? August 2019				
BMP #2: Develop, implement and maintain a written O&M program for all operations that could contribute to the discharge of pollutants from the MS4, as identified under BMP #1. This program shall address stormwater collection or conveyance systems within the regulated MS4.					
1.	Have you developed a written O&M program for the operations identified in BMP #1? ☐ Yes ☐ No				
2.	Date of last review or update to written O&M program: February 2018. Additional updates to made in the Fall of 2019				
pre	P #3: Develop and implement an employee training program that addresses appropriate topics to further the goal of venting or reducing the discharge of pollutants from operations to the regulated small MS4. All relevant employees I contractors shall receive training.				
1.	Have you developed an employee training program? ☐ Yes ☐ No				
2.	Date of last review or update to training program: September 2018 Date of latest training: June 2019				

·				
3. Training topics covered:				
Pennsylvania Rural Water Association of Boroughs conference and potable w discussed.	conference, Mu ater supply ope	nicipal Managers erators' conferenc	s Association c ce, wherein MS	onference, PA State Association 34 and water pollution topics are
4. Name(s) of training presenter(s):				
PRWA, AWWA, PSAB				
5. Names of training attendees:				
Borough Manager, Council Member, a	nd Water Distri	ibution Staff

CERTIFICATION

For PAG-13 Permittees: I have read the latest PAG-13 General Permit issued by DEP and agree and certify that (1) the permittee continues to be eligible for coverage under the PAG-13 General Permit and (2) the permittee will continue to comply with the conditions of that permit, including any modifications thereto. I understand that if I do not agree to the terms and conditions of the PAG-13 General Permit, I will apply for an individual permit within 90 days of publication of the General Permit. I also acknowledge that any facility construction needed to comply with the General Permit requirements shall be designed, built, operated, and maintained in accordance with operative laws and regulations.

For All Permittees: I certify under penalty of law that this report was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. See 18 Pa. C.S. § 4904 (relating to unsworn falsification).
